Thai Cuisine offers one of the most healthy and well-balanced diets available. Its various techniques and combinations represent a wonderful fusion of the best elements of Asian, European and African cuisines, introduced to Thailand throughout the ages. Thai cuisine is especially low in fat and the ingredients used are fresh, nutritional and most important exquisite in taste.

Apart from the well known curry dishes, Thai cuisine is also famous for the clever use of lime, chilli & spices to bring out the natural taste of any produce with an array of explosive and yet well defined & beautifully finished dishes.

We have an excellent Thai menu with a wide selection of Thai cuisine all prepared using the finest fresh ingredients. You can choose from a selection of meat, vegetarian, seafood and many other popular Thai dishes.

Whilst there is an indication of food containing nuts and wheat products, it should be noted that all food may contain traces of nuts or wheat.

Some dishes in this menu may contain fish sauce, soya sauce or nuts. Please inform us of any allergies before ordering –
